The ATP, which took place on 1 March 2010 at the Palace of Culture and Science in Warsaw, is one of the most important projects on the Polish capital's job market, offering students and graduates direct contact with employers and well-considered start in the job market. It is also an opportunity to present a company's activity and strengthen its image as an organization as well an employer.

The Centre played the role of both an exhibitor and a lecturer by providing students with the lecture: "Space Research Centre – a career out of this world with us!"
